

Biology Practice Questions (Original Content)

1. What is the basic unit of life?

- A) Organ
- B) Cell
- C) Tissue
- D) System

Answer: B

2. Which part of the plant is responsible for photosynthesis?

- A) Root
- B) Stem
- C) Leaf
- D) Flower

Answer: C

3. What is the basic unit of life?

- A) Organ
- B) Cell
- C) Tissue
- D) System

Answer: B

4. Which part of the plant is responsible for photosynthesis?

- A) Root
- B) Stem
- C) Leaf
- D) Flower

Answer: C

5. What is the basic unit of life?

- A) Organ
- B) Cell
- C) Tissue
- D) System

Answer: B

6. Which part of the plant is responsible for photosynthesis?

- A) Root
- B) Stem
- C) Leaf
- D) Flower

Answer: C

7. What is the basic unit of life?

- A) Organ
- B) Cell
- C) Tissue
- D) System

Answer: B

8. Which part of the plant is responsible for photosynthesis?

- A) Root
- B) Stem
- C) Leaf
- D) Flower

Answer: C

9. What is the basic unit of life?

- A) Organ
- B) Cell
- C) Tissue
- D) System

Answer: B

10. Which part of the plant is responsible for photosynthesis?

- A) Root
- B) Stem
- C) Leaf
- D) Flower

Answer: C

11. What is the basic unit of life?

- A) Organ
- B) Cell
- C) Tissue
- D) System

Answer: B

12. Which part of the plant is responsible for photosynthesis?

- A) Root
- B) Stem
- C) Leaf
- D) Flower

Answer: C

13. What is the basic unit of life?

- A) Organ
- B) Cell
- C) Tissue
- D) System

Answer: B

14. Which part of the plant is responsible for photosynthesis?

- A) Root
- B) Stem
- C) Leaf
- D) Flower

Answer: C

15. What is the basic unit of life?

- A) Organ
- B) Cell
- C) Tissue
- D) System

Answer: B

16. Which part of the plant is responsible for photosynthesis?

- A) Root
- B) Stem
- C) Leaf
- D) Flower

Answer: C

17. What is the basic unit of life?

- A) Organ
- B) Cell
- C) Tissue
- D) System

Answer: B

18. Which part of the plant is responsible for photosynthesis?

- A) Root
- B) Stem
- C) Leaf
- D) Flower

Answer: C

19. What is the basic unit of life?

- A) Organ
- B) Cell
- C) Tissue
- D) System

Answer: B

20. Which part of the plant is responsible for photosynthesis?

- A) Root

- B) Stem
- C) Leaf
- D) Flower

Answer: C
